CRITERIA

To be considered for the IAAPA Hall of Fame, a nominee must:

- Have been associated with the attractions industry for a minimum period of 10 years.
- Have been associated with a theme or amusement park, waterpark, family entertainment center, zoo, aquarium, museum, science center, casino, resort, or other attraction, manufacturer, supplier, designer, or attractions industry consultant.
- Have made a significant contribution to the worldwide attractions industry that has provided innovation, education, leadership, and/or influence both inside his/her organization **and** within the industry in a manner that will continue to be of value in the future. Examples include contributions to the attractions industry at large such as:
  1. Literary contribution
  2. Design or invention of material equipment, processes, or technical services and
  3. Innovation in conjunction with attractions, rides, exhibitions, entertainment, food, merchandise, games, engineering, or safety.

NOMINATION SUPPORT

I. Nominee Summary (Required): Please review the award criteria. On a separate, typewritten document, state concisely (150 words or less) why the nominee should be selected for induction into the IAAPA Hall of Fame. (This statement will form the basis for the award presentation should the nominee be selected.) Be sure to include the nominee's name at the top of the statement page.

II. Description of Nominee's Industry Contribution and Involvement (Required): On a separate, typewritten document, summarize the nominee's activities and contributions within the attractions industry in no more than three pages. Be sure to include the nominee's name at the top of each page.

III. Timeline (Required): On a separate typewritten document, please include a timeline of the significant dates related to the activities or events cited in the nomination. This will help provide context for the nominee's contribution(s).

IV. Supporting Materials (Optional): On a separate, typewritten document, provide URL links to articles or web-based material that will help the committee validate the nominee's contribution to the industry. Materials referenced should be written by primary sources (i.e., people who know/knew the nominee) or news articles from the period. Please do not include references to information on Wikipedia or other non-verified sources. Please provide a brief description of what's included in each link. Alternatively, send copies of any relevant newspaper articles, magazine articles, or excerpts from books (please do not send entire books) that document and validate the nominee's industry contributions.

V. Letters of Recommendation (Optional): Feel free to include up to two letters of recommendation from others who know/knew the individual. The letters should be no longer than one page in length and should further illustrate the nominee's contributions to the attractions industry at large. (Please understand that the committee will not be influenced by a flood of support letters or forms.)

Please mail the completed nomination form and required materials to Jan McCool.
