- Exhibitors are prohibited from engaging in an exhibit activity in any space other than that which has been contracted

13. IP Enforcement Policy. In an effort to ensure any claims or disputes by exhibitors at the Event (or in the time period prior to the Event) are handled in a non-disruptive manner, the Association hereby agrees to provide all exhibitors at the Event with the services of an intellectual property independent expert-arbitrator ("IP Mediator"). At the Event and in the time period leading up to the Event, IP Mediator will provide assistance to exhibitors by evaluating potential intellectual property infringement claims and will work closely with the Association to issue any Sanctions (as defined below), if necessary. The Exhibitor understands and agrees that the IP Mediator is a neutral party enlisted to mediate and settle disputes between exhibitors related to intellectual property or proprietary rights, as well as any violation of the 2018 Contract. Exhibitor understands and agrees that all decisions made by the IP Mediator are final, and shall not be subject to appeal or challenge. The Exhibitor understands and agrees that, at the Event and in the time period leading up to the Event, any exhibitor ("Complaining Exhibitor") may lodge with IP Mediator a complaint against any other exhibitor ("Defending Exhibitor"), which after investigation may result in the Sanctions by the IP Mediator or the Association at the Event. IP Mediator's evaluation of such a complaint will be free of charge to the Complaining Exhibitor. If, however, IP Mediator believes that the complaint is one that identifies a legitimate claim of intellectual property infringement, or a violation of the 2018 Contract, the Complaining Exhibitor must pay to the Association a sum of €1950 ("Complaint Fee") to cover the Association's costs and expenses for the IP Mediator to evaluate and potentially take any further action and/or issue any Sanctions (as defined below).

Exhibitor understands and agrees that the enforcement action or sanctions ("Sanctions") shall be issued by IP Mediator and/or the Association in their sole discretion and may include but shall not be limited to: (i) the repayment by Defending Exhibitor to Complaining Exhibitor of the Complaint Fee, (ii) the removal of any item, product, catalog, photograph or image, printed material, product or device ("Exhibitor Content"), (iii) the shutdown of an exhibitor's booth at the Event, (iv) restrictions on access or services provided by the Association, (v) a loss of membership to the Association; or (vi) a ban from any future show or event.

The Exhibitor understands and agrees that any determination by IP Mediator and/or the Association to issue any Sanctions is a mere conservative measure and not a legal determination that any intellectual property infringement or violation has occurred; instead, Sanctions shall be issued (i) to enforce the rules and guidelines at the Event, including the 2018 Contract; (ii) when IP Mediator believes that the display of any Exhibitor Content is potentially infringing on another exhibitor's intellectual property or proprietary rights, or (iii) when IP Mediator and/or Association believes the display of any Exhibitor Content is disruptive to the Event.

In exchange for being permitted to exhibit at the Event and also for the services described above, Exhibitor agrees as follows:

- That the Association is not responsible or liable for any claimed or recognized violations of the Exhibitor's intellectual property or proprietary rights, including any claims for trade mark, copyright or patent infringement or any claims of counterfeiting or other violations of proprietary rights.
 - That the Exhibitor will abide by any and all intellectual property laws, rules or guidelines, including the 2018 Contract, whether imposed by national or local laws or by the Association as part of its ownership and/or management of the Event.
 - That the IP Mediator and the Association have no obligation to enforce or act on the behalf of the Exhibitor and that both IP Mediator and Association may, in their sole discretion, determine whether to issue Sanctions or take any action in any case, depending on the facts presented by the Complaining Exhibitor. Nothing herein obligates IP Mediator or Association to take any action or issue any Sanctions.
 - Not to display Exhibitor Content that violates or potentially violates the intellectual property or proprietary rights of another exhibitor at the Event or that is otherwise disruptive to another exhibitor. Exhibitor hereby further agrees that the Association and/or its IP Mediator may determine—in their sole and complete discretion—whether to issue the Sanctions described herein.
 - To comply with any Sanctions issued by IP Mediator and/or the Association. Exhibitor further understands that its refusal to comply with any issued Sanctions may result in further action by Association, which may include the issuance of additional Sanctions or another action as determined by Association in its sole discretion (a miabele composition).
 - That a failure by Exhibitor to abide by any Sanctions imposed by IP Mediator and/or the Association may lead to additional Sanctions imposed by Association.
 - That any claim of infringement made to IP Mediator or the Association shall be made with the good faith intent to enforce owned or licensed intellectual property or proprietary rights, and not solely in an effort to disrupt or impact another party's ability to operate.
 - EXHIBITOR AGREES TO RELEASE AND HOLD HARMLESS THE ASSOCIATION, IP MEDIATOR, AND THEIR AGENTS, CONTRACTORS, AND SERVICE PROVIDERS, (COLLECTIVELY, THE "RELEASED PARTIES") FOR ANY CLAIMS, DEMANDS, OR LIABILITIES RELATED TO: (i) A CLAIM OR DETERMINATION THAT ANY VIOLATION OF THE 2018 CONTRACT; (ii) A CLAIM OR DETERMINATION THAT ANY EXHIBITOR CONTENT IS INFRINGING, POTENTIALLY INFRINGING, OR OTHERWISE DISRUPTIVE TO THE EVENT; OR (iii) ANY OTHER CLAIM OR DETERMINATION ISSUED BY THE IP MEDIATOR, ITS AGENT OR CONTRACTOR, OR THE ASSOCIATION RELATED TO ACTIVITY AT THE EVENT. TO BE CLEAR, SUCH RELEASE OF LIABILITY WILL INCLUDE ANY CLAIMS OF TRADE LABEL, DEFAMATION, UNFAIR COMPETITION, OR NEGLIGENCE RELATED TO ANY DETERMINATION MADE AT THE EVENT BY THE RELEASED PARTIES.
 - To indemnify, hold harmless and defend the Released Parties from any claims, losses, damages or liability that may result from the Association or IP Mediator's enforcement of this IP Enforcement Policy.
 - That it will accept and not seek to challenge, modify or overturn any resolution made by IP Mediator or the Association, including the issue of any Sanctions.
 - If any provision of the 2018 Contract is held to be illegal, invalid, or unenforceable under the present or future laws, then such provision shall be fully severable, and the 2016 Contract shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of the 2018 Contract and the remaining provisions of the 2018 Contract shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance from the 2018 Contract.
 - By signing this, Exhibitor hereby agrees that the exclusive jurisdiction for any dispute, claim, or demand related in any way to the enforcement or construction of the 2018 Contract will be decided by binding arbitration. Specifically, all disputes between Exhibitor and Association shall be submitted to the Institute of Arbitration, Drève Sainte Anne 68b, 1020 Brussels BELGIUM (EU) (<http://www.euro-arbitration.org/node.php/en/intro>) for binding arbitration under its rules then in effect. It is the intention of the parties that all questions with respect to the construction and enforcement of the 2018 Contract and the rights and liabilities of the parties hereto shall be determined in accordance with the laws of Belgium.
- 14. Safety:** Exhibitor acknowledges sole responsibility for the safety of its booth space and materials (including but not limited to amusement rides or other participatory equipment, installation and dismantle equipment or tools) or other items it brings too into the Event Facility, and warrants the safe supervision, operation and use of these items. Exhibitor is responsible for ensuring the safety and safe work practices of all employees, contractors, and subcontractors working at the Event on behalf of the Exhibitor, as well as the safe conditions for and safety of all persons who enter the Exhibitor's booth space. Exhibitor agrees that IAAPA has no liability for Exhibitor's safety obligations, and that Exhibitor will indemnify and hold IAAPA harmless from and against any and all claims, losses, damages, death, injuries or liability whatsoever arising out of Exhibitor's safety obligations.
