

IAAPA Foundation

2013 Contribution Form

The mission of the IAAPA Foundation is to cultivate resources to enhance training and education for attractions industry professionals, provide industry research and data, facilitate the sharing of best practices within the industry, clarify and articulate the needs of the industry, promote the value and benefits of safe, family-friendly experiences, and reinforce the global influence and responsibility of the industry.

Your tax-deductible donation will help the IAAPA Foundation, a separate nonprofit 501(c)(3) corporation, to ensure the viability and vitality of the attractions industry worldwide for decades to come. Your contribution is an investment in the future of the industry by helping gather the resources necessary to show the value of the industry to the local, national and global economy as well as cultivate resources at the community level by providing career employment, job experience and training and enhanced quality of life in those communities served by the attractions industry. Please add your contribution and support to this critical work.

Thanking you in advance,

Ted Molter, Chair, IAAPA Foundation, San Diego Zoo and San Diego Zoo Safari Park
