# Traveling Exhibits

- Essential part of museums' program mix
- Some museums both consumers and producers of traveling exhibits
- Most museums only consumers
- Collections-based museums can more easily create their own temporary shows

# Producers

**Nonprofit** – museums, associations

- Cost recovery
- Consortia

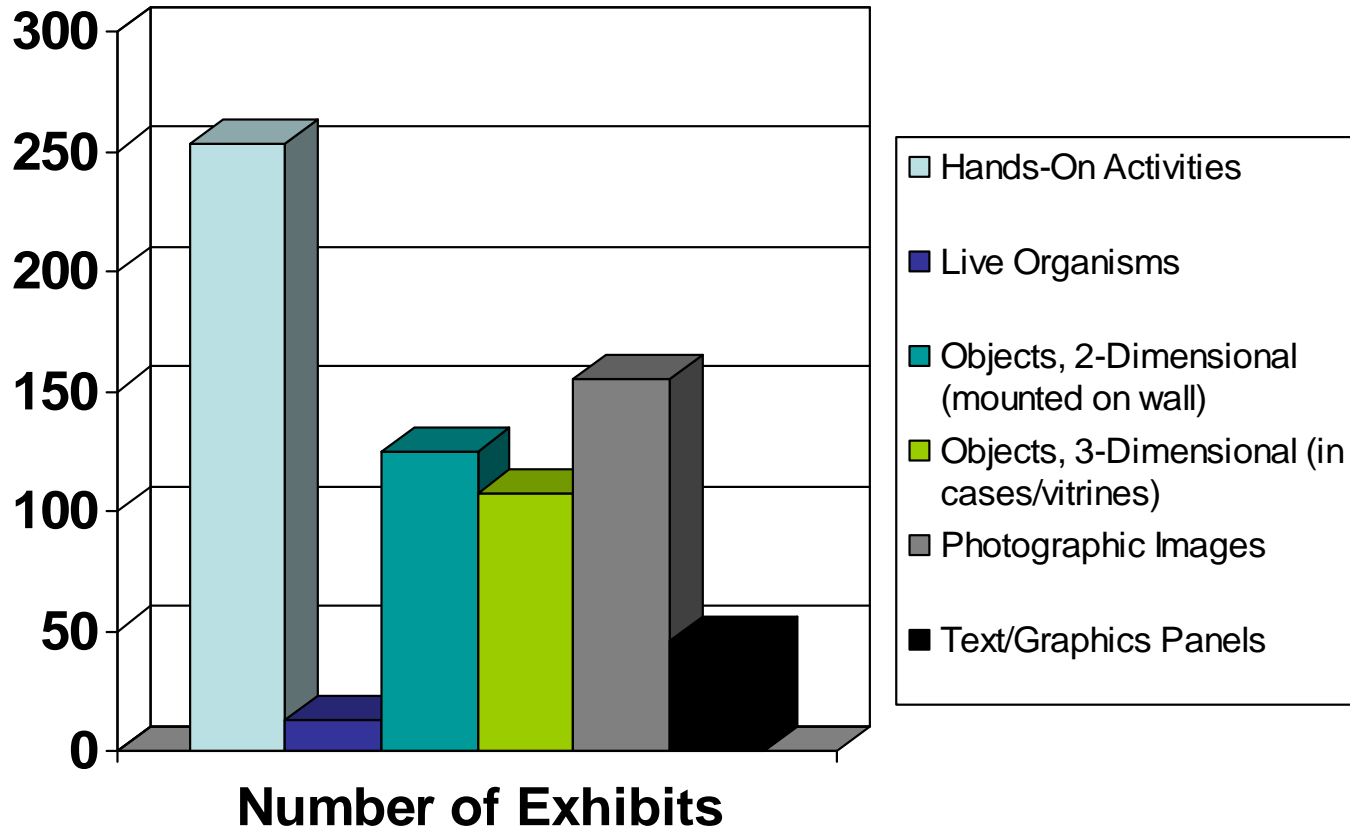

**For-profit** – small businesses, studios,  
dedicated businesses, sidelines

# Consumers

- Dedicated spaces
- Marketing
- Mission vs. margin
- New/return visitors
  - Audience expectations
