

Experience the Thrill.

Network, learn, and grow at Asian Attractions Expo.

When it comes to the business of attractions, there's only one place to be: Asian Attractions Expo 2012. The industry is booming, and this is your chance to grow with it – smartly, efficiently, and successfully. It's the only conference and exhibition of its kind in Asia, with more educational seminars, more opportunities for networking, and more new ideas than ever before. And it's the place for you to be if attractions are your business.
