Dear New Member:

Welcome to IAAPA! As IAAPA's President and CEO, it is my pleasure to personally welcome you as a new member and to thank you for your support.

The IAAPA staff diligently works to ensure that we continue to meet the needs of all of members, no matter what your business may be. Here are a few things you will want to be sure to take advantage of as a new member.

- **FUNWORLD Magazine** – Each month be on the look out for articles on all the latest industry developments featuring the newest trends, products and services as well as articles that give us insight on business improvements.
- **IAAPA Education Products and Bookstore**– From DVDs to books, webcasts to live training, IAAPA education products and services are your indispensable training resource. Whether you are just starting out, or taking your attraction to the next level, IAAPA's education programs, products, and services can provide you with all the tools you need to succeed.
- **News Flash** – One of IAAPA's most popular member benefits. IAAPA e-mails its members a summary of industry news articles with links to the entire story. It is a great way to stay on top of all of the latest developments in our industry. I have found this to be a valuable tool for me to stay on top of the latest industry news and trends, even during the busy season.
- **IAAPA Attractions Expo 2009 – Bright Lights, Big Show!** For the first time ever, IAAPA Attractions Expo heads to Las Vegas, NV, USA. Borrow ideas from other attractions communities and steer your business in the right direction with products from over 1,100 exhibitors! Plan now to join us November 16—20, 2009 for the only show that outshines Vegas.

As you can see, we work 365 days a year to provide you with the most up-to-date and relevant information to help you succeed. And these are just a few of the many benefits membership offers!

If you have any questions about your membership, please do not hesitate to contact the IAAPA Membership Department at +1 703/836-4800, or feel free to email me with any questions or concerns: [cbray@IAAPA.org](mailto:cbray@IAAPA.org).

Sincerely,
