## **IAAPA Expo 2021**

### **Exhibitor Bulletin #4 – September 22, 2021**

#### **Deadline Approaching: Show Program**

Attendees are already using the [online floor plan](#) to research exhibitors they want to visit during IAAPA Expo 2021. Make sure your [Booth Profile](#) is up to date and accurate with contact information. Exhibitors must [log in](#) to their profile to add or update their company information. Information will be displayed online in the Digital Pass and IAAPA Expo Mobile App, as well as the IAAPA Expo Show Program. The Program is a printed reference guide available to all attendees on-site to make it easy for them to locate your products and services before, during, and after the expo. **The deadline for the printed program is Oct. 4.**

#### **Audience Participation Safety Form – Required**

All exhibitors need to complete the online [Audience Participation Safety Form](#) in the Exhibitor Required Documents. If you aren't bringing any devices, click "No Devices in Booth" then submit. If you are bringing a device (static or dynamic), complete the additional fields and submit the required documents. Late submissions are subject to [fines and/or loss of seniority](#). The deadline is **Oct. 1.**

#### **Updated Health & Safety Guidelines**

As IAAPA is following the US Centers for Disease Control and Prevention (CDC) guidance for large groups and meetings, we recently updated our Health and Safety Guidelines for IAAPA Expo 2021 to require face coverings for attendees age two and up while inside at IAAPA Expo or while riding expo transportation. Please be familiar with all the guidelines and information detailed [here](#). The health and safety of expo participants is a top priority!

#### **National Interest Exemption (NIE) Program**

International exhibitors who come from countries that aren't currently permitted to fly into the United States, may be able to receive permission to travel via an exemption offered through the NIE Program. IAAPA is working with U.S. federal departments and agencies to assist our members with this process. In the coming days, we will have information on our website which an exhibitor can use to make a strong case for being granted an NIE. Watch your email for more information soon.

#### **Overdue Exhibitor Balances**

Please be aware if you have a balance due for your exhibit fees, you will not be listed in the Trade Show Program. In addition, [exhibitor guest](#) passes are only available to companies that are fully paid. To check your balance or make a payment, visit [IAAPA.org/Expoinvoice](http://IAAPA.org/Expoinvoice).

## Opening Reception – New Format

The IAAPA Opening Reception, one of the most popular networking events at IAAPA Expo, has a new format this year. We will be celebrating IAAPA's Brass Ring Award winners as well as the IAAPA Hall of Fame inductees, IAAPA Service Awards, and the IAAPA Young Professional of the Year. Winners of the Best New Product and Best Exhibit Awards will receive complimentary tickets to attend. Purchase tickets while registering your on-site staff through [Exhibitor Registration](#). Note, tickets for the Thursday night IAAPA Celebrates event will be available for sale soon.

## FedEx Freight

If you plan to ship your materials to IAAPA Expo with FedEx Freight, please be advised of its policies for shows in Orlando. It will **not** deliver to the Freeman Advanced Warehouse or the Orange County Convention Center (OCCC). Instead, your freight will be delivered to the FedEx Freight terminal, and then you will be responsible to make arrangements to the Advanced Warehouse or OCCC. Freeman offers a service through [Freeman Exhibit Transportation](#) to pick up freight at the FedEx Freight terminal if you need assistance for the final leg of your shipment. Additionally, you can arrange complete round-trip transportation through [Freeman Exhibit Transportation](#). [International shipping](#) can be arranged through Agility.

## Getting Your Materials to Your Booth

*What is material handling and when does it apply? Can I hand carry my boxes to my booth? How do my boxes get to my booth if I ship?* These commonly asked questions and more can be answered by reviewing the following documents. Visit the [Exhibitor Services Guide](#) page and the Shipping/On-Site Handling section for a full list of resources. If you have any questions, please contact [exhibitors@IAAPA.org](mailto:exhibitors@IAAPA.org).

- [Hand Carry Policy](#)
- Material Handling – [General Information](#)
- Material Handling – [Fees](#)
- [Shipping](#)

## Discounted Hotel Options Still Available

IAAPA Expo 2021 will be here before we know it and we want to remind you that great hotel deals are still available. Book your rooms through our official housing provider onPeak at <https://compass.onpeak.com/e/012605261/>. Beware of fraudulent housing companies that offer housing deals that don't exist or cancellation policies that are unreasonable. Only onPeak is the official housing provider at IAAPA Expo 2021.

## Expand the Marketing of Your Products or Services Beyond the Trade Show Floor

Increase and enhance your exposure at IAAPA Expo with a print or digital advertisement. The IAAPA Expo Show Program will be available in print to all attendees to assist in the navigation of the event including sessions, special events, and most importantly – the trade show floor. A full-page advertisement in the program will drive traffic to your space and further engage new prospects. The show program is used as a reference for months after the event and will also be accessible online to all members' post-event. In an effort to be “green” and to minimize contact, this year our Show Daily Newsletter is going digital! Attendees will have access to news, updates, and highlights on our NEW Show Daily Site. As an exhibitor or sponsor, you have the exclusive opportunity to contract advertising opportunities such as Leaderboards, Premium Banners, or Premium Tile Ads linked to the URL of your choice, that will run for the duration of the event. Contact Julie Rice-Witherell, Manager, Global Advertising Sales at [advertising@iaapa.org](mailto:advertising@iaapa.org) or by phone at +1 321 319 7644 to *learn more!*

## Warning: Non-Official Vendors and Scams

Be aware that many companies inappropriately represent themselves as official vendors for IAAPA, especially offering services such as hotel rooms, audiovisual, furniture, mailing lists, show guides, etc., in conjunction with an IAAPA trade show. It is always best to check the show's [Official Contractor list](#) before responding to their solicitation to determine if they are IAAPA-approved.

In addition, over the past few years, more and more companies have been fraudulently claiming to sell "IAAPA Attendee Lists." These lists are not from IAAPA events—IAAPA does not sell or release attendee contact information from any event. For your own protection, you should refrain from conducting business with these rogue companies. For more information, click [here](#).

## Book Your Hotel Through the Official Housing Provider

onPeak is the only housing provider for IAAPA Expo 2021. We've negotiated travel discounts and secured a limited number of reduced-rate hotel rooms to make your trip to Orlando affordable. Rooms at the group rate are limited and available on a first-come, first-served basis. [Book](#) early for best selection and price! More information is available [here](#).

## Exhibitor Registration

We're in the final stages of preparing and testing the [Exhibitor Registration](#) site for your on-site booth staff to register, purchase tickets, order wristbands, and request a visa invitation letter. Check the link early July or watch your email. You will need your IAAPA Company ID to login.

If you have any questions about this information or need additional details relating to your booth at IAAPA Expo 2021, please contact [Exhibitors@IAAPA.org](mailto:Exhibitors@IAAPA.org) or +1 321/319-7643. Thank you!
