

Let Visit Orlando's knowledgeable Destination Services team become your destination concierge to navigate through Orlando's many unique venues, which all offer private event options for groups of all sizes. We want to help you create a one-of-a-kind event your customers won't soon forget.

- Ideas for unique off-site events, dinners and exciting experiences.
- Identifying support services to include Destination Management Companies (DMCs), transportation options and attraction tickets.
- Staffing services to include hostesses, greeters and other areas of support.
- Connect you to Visit Orlando's vast member network for Event related services.
- Coordinate site visits for unique event venues.
- Organize local community corporate social responsibility events.
- Provide you with content for your Event website to help promote excitement.

*Let us help you create a unique experience inside and outside your booth for you and your customers!*
