

Ken Wheatley  
Sr. Sales Director, Asia Pacific, Entertainment  
Christie

Mr. Wheatley is Christie Digital's Senior Director Global Business Development.

Ken is a veteran of the entertainment technology industry with over 30 year's experience in show systems and technical entertainment systems.

Ken has contributed A/V and lighting expertise as systems design, project management and sales engineering to notable projects worldwide, including for the India Statue of Unity, Shanghai 2010 World Expo, Beijing Olympics, South-east Asia games, numerous theme park installations for Universal Disney, Chimelong, Lotte, the Wynn Macau, unique projects like the Modi Election Campaign, and many other worldwide projects involving high-end display technology. A veteran of the entertainment and theme design industry, Ken is always interested in future trends and developments involving entertainment technology.
