Warning: Non-Official Vendors and Scams

Be aware that many companies inappropriately represent themselves as official vendors for IAAPA, especially offering services such as hotel rooms, audio-visual services, furniture, mailing lists, show guides, etc. in conjunction with an IAAPA trade show. It is always best to check the show's Official Vendor list before responding to their solicitation to determine if they are IAAPA-approved. In addition, over the past few years, more and more companies have been fraudulently claiming to sell "IAAPA Attendee Lists." These lists are not lists from IAAPA events—IAAPA does not sell or release attendee contact information from any event. For your own protection, you should refrain from conducting business with these rogue companies. For more information visit the webpage: <https://www.iaapa.org/membership/iaapa-alert-members-event-attendees-and-exhibitors>
